

Hello World!

Almeida, Elston

Sept 11, 2016

# 1 Heading

Imagine what a man would do if they controlled the world

## 1.1 Unforeseen Circumstances

Absolute power is absolute distruction

## 2 Second Section

**What Reasons** A man is defined by flesh and blood, but when they have a specific object that means something to anyone, they have complete control over them. That is why people go into the army when they have no one at home.
